August President's Report

President's Report:

It is hard to believe that September is already here.

The summer has flown by.

I am hoping to be able to attend the Labor Day Field Trip and I hope that I will be able to see fellow club members.

I also want to thank Ron R. for his great presentation on fossils at the last meeting.

Happy Labor Day to everyone and I hope that you all have a safe holiday weekend.

I hope to see everyone at the September club meeting.

Slade
